

Apprenticeship Support Australia

Apprenticeship Support Australia is an Australian Apprenticeship Support Network (AASN), contracted deliver skills development advice and solutions to businesses and job-seekers across Australia.

Our combined strength ensures that our customers, no matter how large or small, experience unprecedented levels of service quality and consistency, backed by access to Australia's foremost business experts through the Business Chamber movement.

Apprenticeship Support Australia's services are focused on lifting apprenticeship commencement and completion rates through the provision of support at every stage of the employment cycle.

Our innovative careers hub, [Skillsroad.com.au](https://www.skillsroad.com.au), is regarded as Australia's number one destination for independent career advice. This free website offers a Career Quiz, over 350 career profiles, 360 Virtual Workplace, a Job-Fit test to assess work-readiness and career compatibility and other online tools and resources for students and job-seekers as well as their parents, teachers and employers.

We offer employers holistic business-wide training advice and can assist in recommending suitable qualifications, advice on how to access Government funding for training, help with matching and recruitment of new staff, as well as ongoing coaching, mentoring and support of apprentices and trainees.

With state based offices and over 400 staff around the country, we have the skills and resources to assist businesses successfully manage their training solution and support apprentices and trainees through to completion.
