

HARRISDALE SHS ASET TESTING

GREEN ARROWS indicate where to enter/exit school grounds. Upon arrival, follow the signs to the **REGISTRATION DESK**. Following registration, students will be directed to the PAC waiting area. Parents are not permitted inside the waiting area and will be asked to depart the site. **The red marked zone is out of bounds.** Parents will need to return to the **REGISTRATION DESK** at the end of the test to sign their child out. Children cannot be released until a parent/carer has completed this process.
