More than 1,400 students from different cultures and ethnicities attend the school.

Melville Senior High School has an Intensive English Centre (IEC) on campus, and a team of specialist English as a Second Language (ESL) teachers focused on meeting the individual language needs of students.

Melville Senior High School accepts international students in Years 7 to 12.

Education

The teaching staff at Melville Senior High School are experienced and dedicated. They provide support with tutoring, workshops and homework clubs. Learning is tailored to the individual needs of students, so they can learn and thrive.

To further enrich student experiences, the school offers a range of cocurricular programs that includes over 30 interschool sporting teams, music productions, dance and band festivals, debating, outdoor pursuits, camps and wilderness expeditions, State Emergency Services cadets, academic challenge, orientation and extension camps.

Support for students

Melville Senior High School takes pride in treating each student as an individual and supporting them to strive to meet their academic, cultural, sporting, civic and pastoral needs and preparing them to meet the challenges of the future.

The school is multicultural with students from over 65 nationalities. Diversity is respected and celebrated by building collaborative relationships between staff, students, parents and families. The knowledge, skills and experiences that students from all cultural backgrounds bring with them into the classroom are harnessed to ensure their learning is relevant and supportive of successful outcomes.

The school's student services team delivers counselling and supports students with any personal or academic issues they may have. There is also a vocational pathways program, which provides guidance about university and alternative pathways available to students.

Settling in

The school has an international student coordinator, who supports families with the introduction to the school community. Students are also provided with ongoing support during their time at the school, so they can succeed in their studies.
